

Department of Correction
Quarterly Corrections Data Report (Q4)

Calendar Year 2022

Executive Office of Public Safety and Security
November 2023

Maura T. Healey, Governor
Terrence M. Reidy, Secretary of Public Safety and Security
Carol A. Mici, Department of Correction Commissioner

Below is a quick reference of which populations to count/include by spreadsheet.

Admissions:

Pre-Trial/Detainees - Includes awaiting trial, US Marshall detainees, inmates held on bail, bail violators, hold for other jurisdiction, fugitive from justice, failure to pay costs/fine, pre-arraignment

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release)

Releases:

Pre-Trial/Detainees - Includes awaiting trial, US Marshall detainees, inmates held on bail, bail violators, hold for other jurisdiction, fugitive from justice, failure to pay costs/fine, pre-arraignment

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release)

Caseload Snapshot:

Pre-Arraignment - Includes inmates housed in a State or County facility prior to being arraigned, including "regional lock-up"

Pre-Trial/Detainees - Includes awaiting trial, US Marshall detainees, inmates held on bail, bail violators, hold for other jurisdiction, fugitive from justice, failure to pay costs/fine, pre-arraignment

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release)

Recidivism:

New Commitments - Includes criminally sentenced individuals committed by the courts to State or County Corrections as a result of a criminal offense

Violations - Includes individuals re-admitted as a result of a violation of probation or parole returning to a State or County prison, including technical violations. Technical violations are not necessarily the result of administrative conditions of parole, and could include uncharged criminal conduct or conduct that is under criminal investigation

Total "Classification"	4	27	354	4,054	991	[1] 5,430
-------------------------------	----------	-----------	------------	--------------	------------	------------------

[1] The MA DOC also houses civil commitments. As of 12/31/2022, there were 1 civilly committed male held in a maximum facility, 359 civilly committed males in medium facilities, and 64 civilly committed males in a minimum facility. There were 11 civilly committed females held in a medium facility. The total custody population including all civil commitments is 5,865.

Counting Rules (who to include):

* Community Supervision includes individuals under the jurisdiction of the county who do not currently reside in any correctional facility (do not occupy a bed). This may include electronic monitoring, dayreporting and/or halfway houses.

** Include pre-arraignment inmates when reporting pre-trial figure

*** Federal and Out of State may include inmates who are pre-trial or sentenced.

Total Custody Population			^[1] 5,430

Counting Rules (who to include):

* Includes inmates housed in a State or County facility prior to being arraigned, including "regional lock-up"

** Includes awaiting trial, US Marshall detainees, inmates held on bail, bail violators, hold for other jurisdiction, fugitive from justice, failure to pay costs/fine, pre-arraignment

*** Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release)

[1] The MA DOC also houses civil commitments. As of 12/31/2022, there were 424 male civil commitments in four facilities and 11 females all at MCI-Framingham. The total custody population including all civil commitments is 5,865.

Recidivism

Source: **MA Department of Correction** CY: **2017**

	Commitment Type*	Admission Type	1st Year	2nd Year	3rd Year	Total 3 Year Period
Males	Criminally Sentenced					
		New Commitments*	10%	8%	5%	24%
		Violations**	4%	<1%	<1%	4%
		Total Males	14%	9%	5%	28%
Females	Criminally Sentenced					
		New Commitments*	11%	9%	2%	22%
		Violations**	5%	1%	n.a.	5%
		Total Females	15%	9%	2%	27%
Total			14%	9%	4%	28%

Counting Rules (who to include):
* Includes inmates committed by the courts to State or County Corrections as a result of a criminal offense
** Includes inmates re-admitted as a result of a violation of probation or parole, returning to a State or County facility, including those with a technical violation

*National Standard for Recidivism is for criminally sentenced populations.

*The total recidivism rate for the 2017 release cohort was 28%, based on 1,989 releases to the community.
